FLEMMING COLLEGE OF PHARMACY

Flemming College of Pharmacy (FCP), a pharmacy college in West Bengal has obtained approval from **Pharma Council of India (PCI)** in 2019 under the able guidance of **Brajeswari Radharaman Inter Generations- Humanitarian Trust (BRIGHT)**. The Institute is located on the southern fringes of Kolkata, at Baruiপুর, an upcoming satellite town and caters to students from reputed schools and colleges of India.

From the Director's Desk:

Mr. Bodhisattva Banerjee B.E, MBA (Germany)

From my experience as a Technocrat, a Social & Education Entrepreneur, I understand how important proactive vision is for taking a college forward. My motto is to make FCP one of the top pharma institutes not just in West Bengal, but in India as well.

OUR MISSION

- ◆ Maintain vibrant, experienced, **qualified faculty** & staff members who are not only friendly but also willing to learn continuously to keep them abreast of the latest technologies and pharma practices.
- ◆ Inculcate a culture and an environment which are **international and professional** in flavour yet warm and inspiring.
- ◆ Provide **soft skills training** and **personality development programs** alongside the regular curriculum to enable students to face interviews confidently and be productive as professionals to accept ongoing global challenges.
- ◆ Create a vibrant industry-academia platform wherein students will be made familiar with industry trends and needs. Reputed Academicians and Scientists from renowned institute and corporate houses will be regularly invited at campus in the **Saturday Corporate Matinee Program** which is the prevailing culture.
- ◆ Last but not the least, our plan to promote our **Entrepreneurship Development Cell** and Incubation facilities with the aim of making our students well rounded professionals aware of social and ethical issues.

CAREER SCOPE

Career prospects and job opportunities in the field of pharmacy are huge and growing. Entry of new pharmaceutical giants is making the future even brighter.

- ◆ Numerous jobs are available for pharma cists in Pharmaceutical Industries, Government Departments, Colleges, Universities, Hospitals, Investigation laboratories and research institutes, etc.
- ◆ Pharmacists can practice in Community Pharmacies, Hospitals, Clinics, Extended Care Facilities, Psychiatric Hospitals and Regulatory Agencies.
- ◆ Sales & Marketing job sector also hires good number of pharmacy graduates.
- ◆ After registering with the state Pharmacy Council – (a) Can also work in retail stores of medicines, (b) Open chemist/drug shop and sell medicines as per doctor's prescription.
- ◆ IT industries are also employing Pharmacy pass out students with good skill in computer programming.

The Career Development Cell of college is committed to providing a wide range of assistance to the students in their efforts to find employment. Assistance services in Career Counselling, Students' Grooming, Placement and Internship Training, are offered round the year. The aim is to ensure students to have relevant information and skills necessary for effective job search and career development.
